Rehoboth Board of Selectmen
148 Peck Street
Rehoboth, MA 02769

July 8, 2019

Gentlemen of the Board:

Based upon continued statements in public session and electronic mails by members of the Dighton Rehoboth Regional School Committee, it should be readily apparent to the members of this Board should the vote of the July 16th Special Town Meeting be anything other than that which the Regional School Committee demands, they intend to drag the member municipalities through a "district wide meeting", the will of Rehoboth's residents and sanctity of town meeting be damned.

Given the probable outcome and result, I would like to draw your attention to Massachusetts General Law Chapter 71 Section 16B paragraph 7 sentence 4. It states "The Boards of Selectmen of the member municipalities in a joint meeting shall, by a majority vote of those present, appoint a town moderator or any other person acceptable to the boards of selectmen to act as moderator..."

I am certain all of the esteemed gentlemen on this Board will concur from your dealings with myself at both meetings of public bodies at which I preside as Chairman, and as the Caucus Chairman of the Rehoboth Republican Town Committee's caucuses, there is no more fair and impartial arbitrar of the facts than I when running a public meeting.

Thus, in accordance with the aforementioned section MGL, I hereby respectfully submit my name for consideration and ask my name be placed in nomination by the Board of Selectmen for the position of Moderator of the District-wide meeting, if/when said meeting comes to fruition after July 16th

Respectfully,

Michael P. Deignan
