

A REHOBOTH EVENTS COMMITTEE *Special Presentation*

# *A Night of Charcuterie*

On Tuesday, November 15th, the Rehoboth Events Committee presented “A Night of Charcuterie” at **Five Bridge Inn**. Led by Michelle Cunha and the crew from **Ah-Mazing Grazing**, 40 people enjoyed a fun evening learning the art and skill of charcuterie. Each guest learned how to prepare and present their own personal boards with Prosciutto, salami, nuts, Brie, Goat, Boursin, and Manchego cheeses, herbs, raspberries, grapes, olives, cucumbers, honey and many other items. Guests had the option of sipping a fine Prosecco while working, door prizes were awarded, and at the end of the night each completed charcuterie board was boxed and brought home to be enjoyed. It was an informative and fun night for all!

A special shout-out to our host for this event **Five Bridge Inn**, who offered their “barn” at zero cost to us. We are grateful and appreciative for the capable assistance provided by owner Ann Messenger and her coordinator Anita Lussier. Dan Wright from D&D Woodworkers provided a beautiful handmade charcuterie board for our door prize.
