

Winter Tips:

- 1). Pay close attention to weather forecasts. Be prepared by having enough fuel for your vehicle, shovels, ice melt and proper winter attire.
- 2). Freezing rain and wet snow create the most slippery road conditions. Take your time.
- 3). When snow, sleet or freezing rain is forecast please stay off the roads, if possible.
- 4). For storm information concerning school or business closings please tune in to local television or radio stations.

To report unplowed or un-treated streets or for further information and suggestions on the snow operations policy for the Town of Rehoboth, please call the Rehoboth Highway Department at 508-252-3912 or contact us via email at
